## SEA TURTLE FOUNTAIN

PAVER PROJECT MARINA COVE PORT ST. JOE

Humans and sea turtles have roamed the lands and waters of Florida side by side for centuries. Regarded as symbols of peace, longevity, and prosperity, sea turtles embody the spirit of our community. This remarkable relationship between man and nature is woven into the culture of this area and is visualized throughout local art. To celebrate this heritage, the Florida Coastal Conservancy is commissioning a sea turtle sculpture to be placed in the Fountain at Marina Cove adjacent to George Core Park overlooking St. Joseph Bay. Help us realize this lasting icon by purchasing a paver in the name of yourself, your loved ones, and your business.
